

Layout Worksheet Measurements & Details

The main entrance is located on the east end of the building.

Main entrance area must remain open as emergency exit. Holds a 2 by 8 farmhouse table for guest book, seating information, etc. Main entrance area = 14 ft. wide by 14.8 ft. deep.

The barn has (4) main seating quadrants which measure 24 ft. long by 15 ft. wide. Each has a step area which must remain clear for guest traffic.

A main walk way runs through the Barn and is split by the main entrance and one lower back seating area. The back section of the walk way can be used for seating, additional bar or gift tables. This back section measures 20 ft. long by 10 ft. wide.

Directly in front of the main entrance is an additional area which works well for the Bridal Party seating, guest seating or additional bar. This area measures 14 ft. wide by 14.6 ft. long.

A small section across from the stairwell works nicely for appetizers, cake display or additional seating. Measures 10.5 wide by 11 ft. deep.

Aside the stairs to the lower restroom and dressing rooms is the portable bar. This space measures 18.5 ft. long by 10.5 ft wide. The bar may be moved to other areas of the Barn.

The dance floor measures 19 ft. wide by 31 ft. long. Full power for bands or dj set up.

Railings run the length of the West entrance which is used by handicap guests as well as the caterers and bar service.

A caterer's pantry in the back measures roughly 9.5 wide by 12 ft. deep in usable space. The pantry includes a convection oven, hand sink, triple bay sink, warming box, warming cabinet, microwave, refrigerator and stainless steel work space.

The Barn is complete with a 6 speaker sound system which includes a 6 CD changer, ipod ready, wireless and corded microphones and a projection screen. Use of our projector is possible for an additional fee.

The Barn has seating for 200 with (50) 36 x 36 x 29.5 tables with chairs. Seating for (4) at each table or other configurations is possible depending on the guest count and space available.
